Discovering the Benefits of
Membership

Discovering the Benefits of Membership

As a BRMI
Member, you can...

Tap into Knowledge

Learn with BRM publications and the BRMiBOK, a members-only body of knowledge containing frameworks, tools, techniques, processes & leading practices.

Join Webinars

Take advantage of our webinar-based education and training programs led by industry experts and institute leaders.

Ask the Experts

Post questions and consult with one of our founders to discuss the BRM role and get answers to your specific questions.

Advance your Career

Enjoy career advancement opportunities through recognized professional credentials and access to job opportunities.

Network with BRMs

Connect with professionals and experts to exchange ideas and collaborate with through the BRMI members-only wiki.

Shape the Future

Participate in the development and promotion of the role and profession of Business Relationship Management.

As a BRMI member, you will gain immediate access to a rich portfolio of expertly designed professional development and collaboration resources. The unique tools our world-class experts developed and continue to improve will help you address the many challenges you might be facing today and significantly enhance your ability to deliver maximum value to your organization.
