# MEMBERSHIP VALUE AND BENEFITS

---

“With a BRM Institute Group Membership, your team gains exclusive access to a wealth of resources, tools, and knowledge designed to elevate your relationship management practices and optimize business outcomes.”

“Group Membership plans provides the same benefits of the Professional Membership plan but is intended for 2 or more individuals grouped together as beneficiaries. Your team will gain immediate access to a rich and rewarding portfolio of professional development content like the BRM Body of Knowledge, webinar recordings, templates, learning opportunities, networking and BRM communities.”

---

With a BRM Institute Group Membership, your team gains exclusive access to a wealth of resources, tools, and expertise designed to elevate your relationship management practices and optimize business outcomes.

---

---

## Benefits designed to support your team's growth and professional success include:

Access to **BRM Institute Online Campus**, a learning and collaboration platform containing frameworks, tools, techniques, processes, and leading practices.

Networking and collaboration opportunities with fellow **BRM professionals and experts** through Communities of Interest groups based on a specific industry, geography, or interest.

The ability to further **develop the BRM role** in your organization by reviewing hours of webinar-based education and training programs presented by fellow BRMs and thought leaders.

A bi-weekly, electronic copy of the **BRM News** publication that will keep your team informed of what is happening within the BRM community, valuable tips, interviews with expert BRM practitioners and consultants, and upcoming event announcements.

**Volunteer opportunities** that give your team the ability to share their leadership skills and knowledge while finding purpose and providing an impact on the BRM community.

**Complimentary Member Partner Meetings** to discuss challenges, experience a live Online Campus navigation tour and ensure you're getting the most value with your membership.

### **Discounts!**

Enjoy discounts on BRM Institute classes, event registration and publications! Combine group discounts with Early Bird Pricing for maximum savings to attend the World BRMConnect Conference.

# GROUP MEMBERSHIP PLANS

## Group Membership Plans

Group Membership plans provides the same valuable benefits as the Professional Membership individual plan, but is tailored for organizations or teams with multiple professionals, such as two or more.

For groups or teams looking to enroll multiple professionals, volume discounts apply. The more professionals you include in your group, the more cost-effective your membership becomes, providing greater value to your organization.

Share the knowledge with your team and enjoy all the benefits and resources needed to advance your BRM Capability and deliver meaningful business results.
